

SENIOR RESIDENTS

Matthew DeWolf, MD

Faculty/Research Mentors:
Lance Warhold, MD

Biography:

Dr. DeWolf graduated from Boston University with a Bachelor of Science in Exercise Science. He earned his Doctorate of Medicine from the University of Massachusetts Medical School in Worcester, MA. Following graduation he is planning to complete a one-year Hand & Upper Extremity Fellowship at The Philadelphia Hand to Shoulder Center.

Kelly Esposito, MD

Faculty/Research Mentors:
Rowland Hazard, MD

Biography:

Dr. Esposito graduated from the University of North Carolina at Chapel Hill with a Bachelor of Arts degree in Journalism and Mass Communication and Biology. She received her Masters of Business Administration at Kenan-Flager Business School in Chapel Hill, NC. She earned her Doctorate of Medicine from the University of North Carolina School of Medicine. Following graduation she is planning to complete a one-year Hand and Upper Extremity Fellowship at Columbia University.

Dipak Ramkumar, MD, MS

Faculty/Research Mentors:
David Jevsevar, MD, MBA
Wayne Moschetti, MD, MS

Biography:

Dr. Ramkumar graduated from Tufts University in Medford, MA with a Bachelor of Science degree in Biology and Chemistry with a concentration in Biophysical Chemistry and Chemical Physics. He earned his Doctorate of Medicine from the Geisel School of Medicine at Dartmouth. During residency he earned his Master of Science from The Dartmouth Institute for Health Policy and Clinical Practice. Following graduation he is planning to complete a Musculoskeletal Oncology Fellowship at the Massachusetts General Hospital/Harvard Medical School Orthopaedic Oncology Fellowship Program.

Matthew Sabatino, MD, MS

Faculty/Research Mentors:
David Jevsevar, MD, MBA

Biography:

Dr. Sabatino graduated from the United States Military Academy at West Point with a Bachelor of Science in Systems Engineering. Upon graduation from the Academy he served as a Field Artillery officer in the United States Army for five years. He then earned a Doctorate of Medicine from Georgetown University School of Medicine in Washington, DC. During residency he earned his MS from The Dartmouth Institute for Health Policy and Clinical Practice. Following graduation he is planning to complete a one-year Spine Fellowship at Yale.

Dartmouth Orthopaedic Department **Event Planning Committee**

David S. Jevsevar, MD, MBA—Chair, Department of Orthopaedics
Michael B. Sparks, MD, Section Chief, Department of Orthopaedics
Eric R. Henderson, MD, Research Director, Department of Orthopaedics
Charles F. Carr, MD, Residency Program Director
Penny Atherton, Residency Program Coordinator

DARTMOUTH ORTHOPAEDIC SURGERY SENIOR RESEARCH DAY

Saturday, October 20, 2018

Hanover Inn

Hayward Room

Dartmouth-Hitchcock
MEDICAL CENTER

VISITING PROFESSOR

A. Lee Osterman, MD

*Department of Orthopedic Surgery,
Thomas Jefferson University*

Dr. Osterman is a Full Professor of Hand and Orthopaedic Surgery at Thomas Jefferson University and has received a number of awards and honors including: The DeForrest Willard Seal Prize, the Lanier Kappa Delta Award, the Summer L. Koch Award, and the Vargus Award. He is consistently recognized by *Best Doctors in America*, *America's Top Doctor - Castle Connolly*, and as a Top Doctor by *Philadelphia Magazine*, *Main Line Life* and *Philadelphia/Suburban Life Magazine*.

Dr. Osterman divides his time as a clinician, as a professor, and as an author. Dr. Osterman's practice focuses on the hand, wrist, arm and elbow, as well as some shoulder conditions. When he's not treating patients, Dr. Osterman not only teaches locally but around the world, having been a visiting professor at over 50 institutions and taught in over 180 countries. As an author and editor, Dr. Osterman has edited one of the most popular hand surgery texts, Rehabilitation of the Hand just released in its 6th edition, as well as Fractures and Injuries of the Distal Radius and Carpus: The Cutting Edge. He has also authored or coauthored over 300 articles and publications and continues his research endeavors with active grants from multiple sources.

Dartmouth Orthopaedics Senior Research Day

Saturday, October 20, 2018
7:30 am - 12:00 pm

Hanover Inn, Hayward Room

7:30 Registration and Breakfast

8:00 Welcome—Eric Henderson, MD

8:10 Chief Introduction:
Lance Warhold, MD

8:15 **Matthew DeWolf, MD**
Topic: "Fixation Approaches to
Scaphoid Trauma- FAST Technique"

8:45 Chief Introduction:
Rowland Hazard, MD

8:50 **Kelly Esposito, MD**
Topic: "Pre-Treatment Goal Clarity:
Validity and Association with
Rehabilitation Outcomes for People
Disabled by Chronic Low Back Pain"

9:20 Chief Introduction:
Wayne Moschetti, MD, MS

9:25 **Dipak Ramkumar, MD, MS**
Topic: "Pharmacologic Hemostatic
Agents in Total Joint Arthroplasty – A
Cost-Effectiveness Analysis"

9:55 **BREAK**

10:00 Chief Introduction:
David Jevsevar, MD, MBA

10:05 **Matthew Sabatino, MD, MS**
Topic: "Excess Opioid Medication
and Variation in Prescribing
Patterns Following Common
Orthopaedic Procedures"

10:35 Introduction of Guest Speaker:
Lance Warhold, MD

10:40 **A. Lee Osterman, MD**
Topic: "40 Years of Arthritic Wrist
Surgery"

11:25 Closing remarks:
Eric Henderson, MD

Dartmouth-Hitchcock is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Dartmouth-Hitchcock designates this live activity for a maximum of 2.75 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
