

QUARTERLY REPORT FOR LPM-2 PRACTICUM WORK

Resident:

Quarter/submission date:

Please complete this report and share/discuss with your coach. Upload the completed report with coach comments to your portfolio.

Project Aim (improve what, in what population, by what method, by how much, by when)	Overall Aim: Specific Aim:
--	-----------------------------------

If aims have changed, why?

“Planning” phases of PDSA cycles (e.g. meetings, literature reviews, site visits):

CLAR #:	Short Description/Rationale	Next Steps
5	Ex. Initiated weekly interdisciplinary team meetings on Mondays at 11 AM to work on improvement interventions.	Ex. We are awaiting nursing approval to proceed with nursing education for planned interventions

“Doing” phases of PDSA cycles (specific interventions implemented):

CLAR #:	Intervention	Date of Intervention Implementation	Status of Intervention
5	ex. Develop an eDH order set or best practice alert for vancomycin dosing	ex. Implemented on September 24, 2012	Ex. Implemented as pilot, abandoned or spreading to other units/system-wide

“Studying” phases of PDSA cycles (measures and results):

Measures:

Operational definition	Measure Type	Analysis Plan
Ex. % diabetic patients with a HbA1C ordered in the past year	Process	p-chart

Ex. LOS	Outcome	xMR

Results: Insert charts and/or tables of results below (or upload separately into portfolio)

“Acting” phases of PDSA cycles: Lessons Learned, Barriers, Next Steps
