

Altus Suite – Comprehensive Admissions Assessments

All applicants applying to the OB/GYN Residency at Dartmouth-Health are being requested to complete Altus Suite for the 2022/2023 admissions cycle.

Altus Suite is a standardized, multi-part online assessment that measures different competencies and attributes that we believe are important for successful students and graduates of our program. Altus Suite will complement the other tools that we use for applicant review and evaluation. In implementing Altus Suite, we are trying to further enhance fairness and objectivity in our selection process.

Altus Suite consists of:

- [Casper](#): 100-120 minute online, open-response situational judgment test
- [Snapshot](#): 15-minute one-way video interview with standardized questions*
- [Duet](#): 15-minute value-alignment assessment*

You will register for Altus Suite for CSP-20101 – U.S. Graduate Medical Education – Residency Training

Access [TakeAltus.com](https://www.takealtus.com) to create an account and for more information on important dates and requirements, and the Altus Suite assessments.
