Notes :

All blocks are 4 weeks in length

	Diagnostic Radiology Rotation
	IR-Related Radiology Rotation
	IR Rotation (IR attending)
	IR-Related Clinical Rotation

AIRP = American Institute for Radiologic Pathology

CT/MRA IRR = non-invasive vascular imaging (Vascular US, MRA, CTA)

IR-elect: additional elective month of any existing Radiology or IR-Related rotation

IR = Interventional Radiology

IRR = Interventional Radiology- Related (if in Radiology, at least 50% clinical /procedural)

Mam = Mammography

Neuro = Neuroradiology

NIR = Neurointerventional procedures

NiteFlt = Night Float

NM = Nuclear Medicine

US = Ultrasound

Vasc Surg = Vascular Surgery service (outpatient clinic, inpatient, OR, endovascular experience)

IR-Related Clinical rotations also available in Transplant/Nephrology, GI/Hepatology/Oncology, Hospitalist Service, Research

Location : 1= DHMC, 2= WRJ VA, 3= Boston Children's Hospital
