

Departmental Policy Title:	Governance of Shared Resources Policy- GME	Policy ID:	11273
Keywords	Governance Shared Resources		
Department	Graduate Medical Education		

I. Purpose of Policy

This policy states the responsibility of the Graduate Medical Education Committee (GMEC) to oversee the allocation of resources to Accreditation Council for Graduate Medical Education (ACGME)-accredited training programs in which there are similar or overlapping educational missions.

II. Policy Scope

The policy applies to the Designated Institutional Official and GMEC at Dartmouth Hitchcock (DH).

III. Definitions

- **Designated Institutional Official (DIO):** The individual in a sponsoring institution who has the authority and responsibility for all ACGME-accredited Graduate Medical Education programs.

IV. Policy Statement

- The GMEC is responsible for ensuring that programs have the appropriate access to shared resources.
- If a program is not receiving appropriate access to shared resources, the DIO will meet with program leaders to investigate and report their findings and recommended corrective action to the GMEC for review and approval.
- Requests for new ACGME-accredited training programs must include a review of the potential impact the new program may have on the clinical and/or other educational resources of existing programs. The GMEC gives special consideration to existing programs.
