

Welcome to DH!

Introductions

- DH
- PD – Me!
- APD – Collen Kershaw, MD
- ID Fellowship @DartmouthID
 - philosophy

Clinical Work

- Inpatient

- DHMC

Green Team
Compromised Host
General ID

Red Team
Ortho
General ID

- Short/long call
- Caps (4 new, 12 follow-up)
- VA
- How many rotations?

VA
inpatient, outpatient,
academic

- Outpatient

- Lebanon
- Manchester/Bedford – HIV – 18 months of fellowship
- General, OPAT, HIV, Travel, transplant, peds
- Other options: Keene, Nashua

- Cheshire – Rural affiliate hospital

- Call (about 1 in 7 weeks)

- Curbsides

- Away rotations (MGH, Nat. Jewish AFB)

Learning

- Micro/Immuno
 - Rounds, rotation
 - Conferences
 - Journal Club
 - Didactics, Board prep
 - Stewardship
 - Infection Control
 - Public Health – outbreak investigation
 - Travel and Tropical Med
 - Transplant - specifics
- Peds
 - STD course
 - Conferences – IDWeek, Ryan White, etc.....
 - Committees
 - LPMR
 - Critical Care
- 

Teaching

- Mentorship
 - Faculty Mentor
 - Research Mentor
- Chief Academic Fellow
- ID Conference
- Resident Teaching
- Geisel School of Medicine
 - Med student teaching
 - Faculty Appointment

Research

- QI/QC
- Epidemiology
- Basic Science
- Micro/Immuno
- Cross-discipline
- Rural, Underserved
- The Dartmouth Institute
- VA Research Institute
- International
- Public Health

HEALTH AND HUMAN SERVICES

Support

- Program Coord
- ID pharmacists
- OPAT nurse, APP
- HIV and general ID nurses
- Secretary, scheduling
- Cross-discipline groups
- GME
- Wellness
- Benefits

What are we working on?

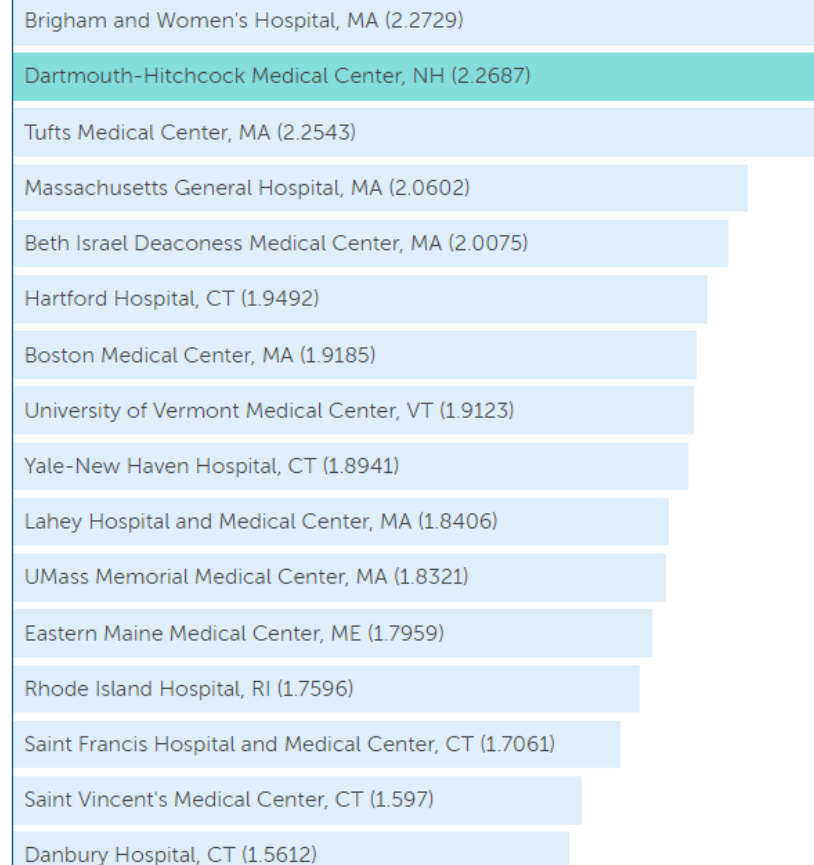

- Expansion
 - Faculty
- Improve efficiencies of work
 - Dealing with calls, curbsides, messaging, consult volumes
- Diversity equity and inclusion
 - faculty, research, mentorship
- Rural Health Equity track
- ID-CRG – research
- Housing options
- Continued focus on wellbeing
- International experiences

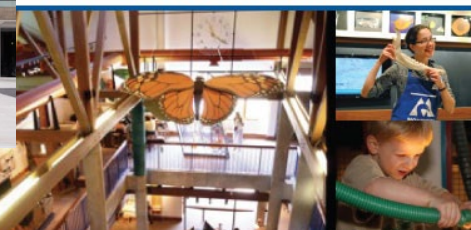

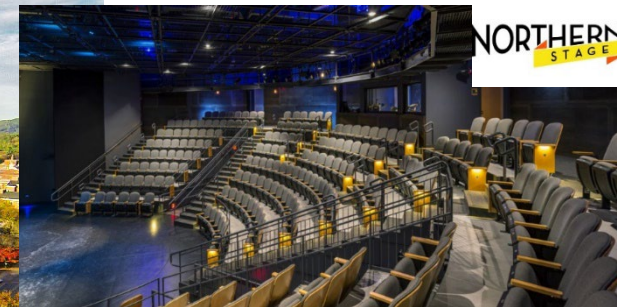

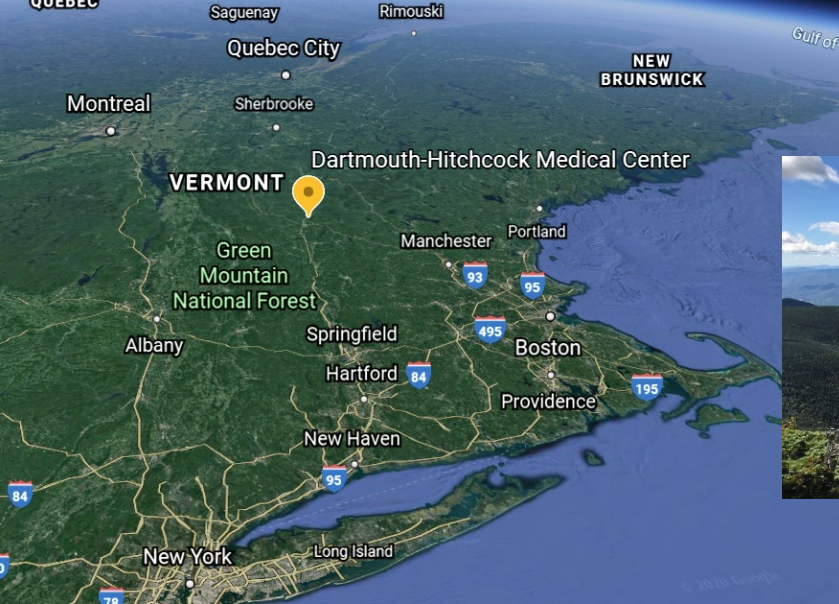

What makes us unique?

- Highly academic program in a rural area
- Fellow focused
 - individualized
- Case diversity is exceptional
- Career-oriented
- Close College ties
- Public Health
- Strong micro
- Diverse faculty interests

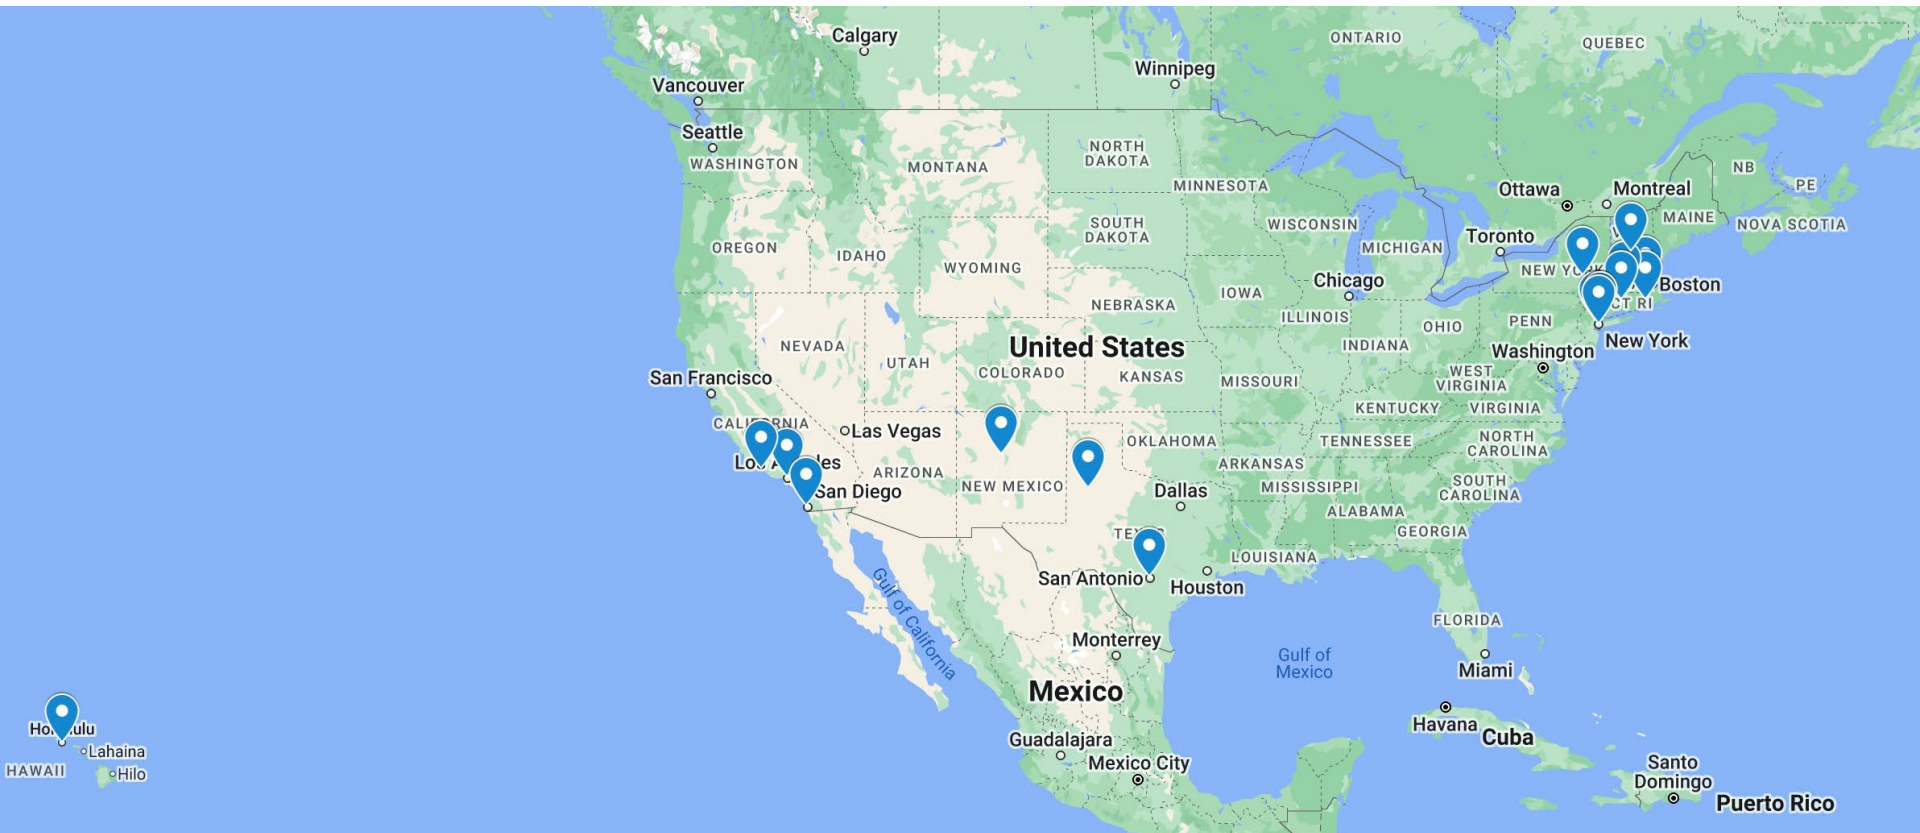

Case Mix Index

The CMI reflects the diversity, clinical complexity, and resource needs of all the patients in the hospital. MS-DRG weight/# discharges. A higher CMI indicates a more complex and resource-intensive case load.

Where do fellows come from?

Where do fellows go?

- Transplant ID – Stanford
- CC-DHMC
- Academic – Chicago
- PP-Indiana
- PP/Academic-LA x 2!
- PP- Hawaii
- Academic - Oklahoma
- Academic- Brown
- PP-Iowa
- Academic Indiana University
- Academic Basset Hospital, NY
- Private Practice (PP) Spokane, WA
- PP/Academic Bangor, ME
- PP – Bend, OR
- PP Spokane, WA
- Academic at DHMC
- Private/Academic in Connecticut
- Academic at Baystate in Massachusetts
- PP California
- PP-Concord, NH
- Private Practice/Academic at the University of Vermont
- CC/ID in Washington
- Academic in Rwanda -> US
- Academic in New Mexico
- NH State Epidemiologist at DHMC
- CC/ID in the Houston
- Academic at DHMC
- Academic in Rwanda -> New Zealand
- Academic in Indiana
- Private/Academic in upstate New York
- Private/Academic in Spokane, WA
